

06/05/2012 Suwannee Amateur Radio Club minutes

The meeting was called to order by Tom Burnett. The Pledge of Allegiance was said, followed by a moment of silence. Pizza and garlic bread was furnished by Jon Beaver.

The meeting was turned over to Dan Gleason and moved to one of the truck bays so we could build antennas for field day. Dan furnished a roll of 75 ohm coax for building baluns and a roll of 17 gauge aluminum wire for building dipole antennas. Others brought an assortment of crimpers, cutters, and test equipment.

The antennas were built assembly line fashion with some cutting wire, some winding baluns and others crimping on the connectors. Those in attendance were:

Dan Gleason
Dale Schutt
James Singletary
Jamie Ryals
Joe Kelman
John McBratney
Jon Beaver
Ron Austin
Tom Burnett
Wayne Peterson

Five antennas were built and tested
10 meters
15 meters
20 meters
40 meters
80 meters

A good time was had by all.

This is an unofficial minutes dredged up from my old brain. Any additions, corrections or subtractions would be appreciated.

Ron (KK4HGY)
