

Suwannee ARES NET Script

This is (Call) my name is (Name) and I'll be your NET Control Station for this session of the Suwannee ARES NET on (Month, Day, Year). This is a directed NET so please allow me to control the flow of activity throughout the event.

Pause

Anyone can join us here on the NET and if you want to become a member of the Suwannee Amateur Radio Club please let us know here on the repeater or go to our website at www.suwanneearc.org and look at the About Us block for all the contact information.

Pause

This NET meets every Thursday evening at 8:30PM Local Time as a training exercise for emergency service readiness and preparation on the N4SVC 145.410 MHz repeater with an offset of -600 and a PL tone of 100.0. In the event no signal is heard on the repeater at this time check the ARES primary simplex frequency of 146.550 MHz.

Pause

Stations with Emergency Traffic please come now:

Pause (if check-in(s) – clear traffic before continuing)

Stations with Priority Traffic please come now:

Pause (if check-in(s) – clear traffic before continuing)

Stations with Routine Traffic or Public Service Announcements please come now:

Pause (if check-in(s) – clear traffic before continuing)

Mobile Stations or those which must get in and out quickly please call now:

Pause (if check-in(s) – acknowledge all in the order they arrive)

Lets begin the regular role call. Please check-in by giving your call phonetically and start by saying This Is then pause to check for a double before proceeding. If you hear a station and NET control does not, relays are welcome. Stations, please call now:

Pause (if check-in(s) acknowledge all in the order they arrive)

At the end after last check-in: This has been a regular session of the Suwannee ARES NET. We'll meet again at the same time next week. Thanks to the Suwannee Amateur Radio Club and all who support Ham Radio in our area. The repeater is now returned to normal operation.
